The Rectory Project

Newsletter Number 2

January 2010.

'We will tell the next generation the praiseworthy deeds of the LORD his power and the wonders he has done' (Psalm 78 Verse 4).

We are delighted to announce that on Tuesday January 26th 2010 B&NES Council granted planning permission for our request to change the use of 'The Rectory' to a Youth and Ministry centre.

Now it is full steam ahead in the challenge to finance the project!

The whole Rectory project team remains committed to raising the full requirements of purchasing the Rectory, without leaving behind a financial burden on the Parish. A wide range of initiatives is planned, all of which are being responsibly and energetically pursued.

In particular, look out for a number of fundraising events in the coming months including;

An 'Afternoon Concert' by the Choir Teenagers on **Saturday February 27th at 3.30pm** in St John's Church, Keynsham.

Bucket Collections at Memorial Stadium Ground – Bristol Rovers Vs Southampton – **Tuesday April 13th**.

Pay to play in/or watch a match at the Memorial Stadium between various ex-footballers, celebrities and you? – **Monday May 3rd**.

Plus many more activities and opportunities to get involved...

How to give

Donations can be made through the Parish Office and your anonymity can be retained if you wish. Please make cheques made payable to '**Keynsham Youth and Ministry Centre**'. If you can gift aid your donation then please do so to maximise your contribution.
